Led by the Act2 Project, Uniting in Prayer is a national Uniting Church prayer event to take place between Pentecost and the 47th Uniting Church Anniversary (19 May – 22 June 2024).

As discernment continues about future directions for the Uniting Church, this is a time to come together in thanksgiving and hope, in openness to the Holy Spirit.

For 35 days we'll share in daily prayers from across our Church, gather for prayer and worship and pray for each other through a national prayer chain which will connect every Uniting Church community to others.

In 2024, the daily prayers will have an emphasis on creativity and include written prayers, videos, images, songs, poetry and art. There is an open call for prayer submissions, with creatives particularly encouraged to contribute. Prayers are due 31 March 2024.

A range of prayer and worship resources will be available in mid-April. Save the date now in your personal and church calendars and sign up on the website to receive the resources, daily prayers and updates straight to your inbox.
