God will **RESTORE** all things to himself in Jesus Christ, and we are called to be active and intentional as we restore what needs our care. There is the possibility of restoration around us every day.

The first task of restoration is in us! God reaches out to save us each day. We are called to be active and intentional in God's work of restoration. What are the tools that we are equipped with for this important task? What does it mean to serve and follow Christ in this work of restoration? Wisdom, faith and a clean heart. We are not alone - Let us lean into the deep work of the Spirit.

MONTVILLE REFLECTION GALLERY DISPLAY

Today we installed Dr Gregg Nowell's Stations of the Cross series in the Reflection Gallery. The Stations of the Cross sequence is that traditionally followed in the Roman Catholic Church and takes the viewer through the arrest, trial, suffering and death of Jesus with the inclusion of his resurrection.

The pictures in this new display lend themselves to quiet reflection as visitors have to move in close to see them.
