NEWS BITS

The Speak Up Now - Stop Domestic & Family Violence group along with the Maleny Neighbourhood Centre are running this event as part of DV Prevention Month. We are being supported by the Centacare DV Service and Relationships Australia Elder Abuse Service.

Can you please circulate the attached flyer to you're your friends and the organisations your involved with. Ask them to also circulate to anyone they feel would benefit from this event. We are hoping to make the whole community aware that everyone has a right to feel safe in their own home, and if they don't then help is available.
