Each year, people from all over Australia gather 'round the BBQ to show support for Aussie farmers doing it tough. GOBBQ is an opportunity to make a real direct impact in the lives of Australian farmers, in a fun way! This year, our farmers need you more than ever and we've made it even easier to show your support!

Whether you prefer to host your own physical BBQ or to buy a seat at our virtual BBQ, GOBBQ is a great opportunity to connect with your community for a great cause.

Fire up the barbie, or your social media feeds, and ask your friends, family, and network for a donation to Frontier Services.

Better Together Housing (BTH) is an innovative program, co-created by two leading charities on the Sunshine Coast in partnership with women in the community.

Its primary purpose is to address the rising cost of living and the risk of social isolation facing single women over 55 years old living alone.

It is tailored to bring women together in a safe and secure way to find shared accommodation.

Participants can be women who own or rent their home but are interested in finding a woman to share with, or women who are looking for a new place to live with one (or more) other woman. We also welcome women who are not sure about sharing, but want to connect with other women and explore a little first before deciding.

We are different to regular flatmate finder platforms, we are specifically for older women, and every registered participant has undertaken a police check so you can feel secure.

Our participants need to be open to negotiate how their home can be shared, but we have resources to support this.

We currently operate in the Sunshine Coast and Mackay regions in Queensland. We are hoping to expand to other areas soon.

Better Together Housing is an inclusive community and welcomes women over 55 to respectfully participate regardless of where they have come from, their religion, their culture or their sexuality.

To find out more information or join Better Together Housing, register online at –

www.bettertogetherhousing.com.au.

You will need to provide either a National Police Check (NPC) or a Blue Card. This is to offer peace of mind, safety, and security for our members.
