MONTVILLE'S REFLECTION GALLERY

The art works of Kimberley Oehlman's Digital Artworks "The Secret Place" have been recently installed in the Montville Reflection Gallery at the Montville Uniting Church.

Kimberly says "Every stroke in my work is hand-drawn - from broad strokes to blended detail - reflecting my dedication to merging traditional and digital art. I hope you find tranquillity and beauty in my work, and that it may help provide a moment of peace in which to marvel at the scope and scale of God."

THANKYOU

A big thank you to everyone who assisted with the 2 funerals held at Maleny over the last couple of weeks.

This is an important ministry to people at a very vulnerable times in their lives.

INCIDENT REPORTING

SAFETY in our Churches is everyone's responsibility .. SPEAK UP!

This week's focus is **Injury and illness**. Injuries or illness can happen as a result of related incidents. Injuries or illnesses can be serious or life-threatening. Others can be less serious but still need managing correctly.

Injuries are defined as physical harm or damage to someone's body caused by an accident, or an attack and illness is defined as a disease or period of sickness affecting the body or mind.

All injuries and illnesses at the Maleny (including the Manse), Montville or Palmwoods sites (including the Community Garden) must be reported on the Speak Up site because –

1. For example, Volunteers are considered 'workers' and the injury or illness may require a workplace investigation.
2. Injury and illness prevention programs may be required.

Don't forget though – where a serious accident or injury is occurring, please call 000, immediately.

If you have questions, feel free to speak to Peter Callaghan, Bruce Johnson, George Woodward or Kay Nixon.

THE NEW VINE

The next edition is expected by the start of September. The theme will be **family** or **families**.

This early advice is given so we can all start thinking about what we might contribute well in advance - we all have family experiences to share in some way. And there are many manifestations of family to think about.

Please start early and send your contributions, or maybe even something from a family member, to grandar@bigpond.net.au - so we can hit the Spring deadline together. Thanks in advance Graham.
